With setting up stone, the research gives me an opportunity to whole heartedly pay thanks to everybody and everything without which establishment of the research and achieving its aims and goals was not possible.

First and foremost, I want to express my sincere gratitude to the authorities and staff of UGC Office Western Zone, Pune who has extended support and funding for conduct this research work.

I owe my thanks to Dr. S. A. Thakur former chairman Board of studies University of Mumbai for the constant support and valuable guidance to me. It is he who has been the source of inspiration and stimulus to me. His positive words facilitate me to conduct this research work.

I am also thankful to Mr. B. R. Idate (President of Savitribai Phule Shikshan Prasarak Mandals) who encouraged and enthusiastic words gave me energy to do this research work. I am equally thankful to all Members of Management. All of them encouraged and support me to conduct research work. I express my thanks to Mr. A. E. Sangle (Former Principal of our college) who has extended all possible help, support and co-operation during this work.

I want to express my sincere gratitude to my friend Dr. Pradip Ashok Saymote (Assistant Professor, Department of Geography, Shivaji University Kolhapur). His constant encouragement, support and cartographic work in this research work.

I am greatly thankful to Dr Charke D. L. (Taluka Health Officer Mandangad) Dr. Bhavatankar P. S. (Medical Officer, Rural Hospital Mandangad) who has extended all possible help and co-operation during this work. I am also very much thankful to Dr. Survanshi. S. R. Medical Officer Kumbale PHC, Dr. Walkar Panderi PHC, Dr. Patil R.G. Devhare PHC

I am also thankful to the authorities and staff of District statistical office Ratnagiri, Panchyat samitee Mandangad, as well as Mr. Mahesh Juwale, Mr. Kolekar P. B. and Patil R.R. Staff of Taluka Health office. For providing me valuable information and help for the possible assistance and support.

It is my duty to express thanks to all my colleagues, Prof Ram Deore, Dr. S. A. Sawant, Shri D. A. Jagtap (Librarian) Mr. Nitin Meheta who was always behind me and strong support, all possible help throughout the work. Also I would like to express thanks Mr. Sachin Thore Library Attendant Mr. Deepak Pawar for their assistance and Help during this work.

I owe my thanks to Dr. S. B. Gaikwad (Former Head Dept. of Geography Patangarao Kadam Arts, Comm. & Sci. College Sangli) Dr. Ratndeeep Jadhav (Willingdon College Sangli) And Dr. M. P. Pagar (Nasik) for their assistance and support.

I also express my honest thanks to my all teachers throughout academic days which has great impact on my life and career. Because of their right guidance and direction I could reach certain position. I wish all students get such kind of teachers to guide them on right path.

I owe very much to the villagers who co-operated and helped me while carrying out the field work. I am thankful to the respondents who have given information and share their views during the survey

It is my pleasure to thank my parents without them my progress and existence is incomplete. Also the devoted co-operation and help received from my wife Sujata and Son Chaitanya is wordless. All of them encouraged me and given all kind of support during my education, research work and throughout life.

Last but not least I am indebted to tank all my well-wisher, supportive friends whose name is not mentioned unknowingly or by mistake.
